

Utoro Hot Springs is the entrance to "Shiretoko", one of the World's Natural Heritages.

**知床グランドホテル**

SHIRETOKO GRAND HOTEL KITAKOBUSHI

World natural heritage site SHIRETOKO

Explore the 5 lakes of Shiretoko and ride the cruisers in the summer, walk along the drift ice in the winter. There is always a way to interact with the great nature here in any season.

Enjoy a bath at the hot spring hotel "Kita Kobushi", which stands on the shores of the Okhotsk and overlooks the ocean. Afterward feast upon a wonderful meal made with the great products of the area at any of the three restaurants we offer. Come and feel the exotic attraction of Shiretoko.

There are many attractive and wonderful aspects of Hokkaido here in Shiretoko!!

The untouched beauty of Shiretoko is easily accessible from Tokyo if you fly into Memanbetsu or Nemuro Nakashibetsu Airport. If you come by way of Kushiro Airport we recommend the route that will take you by Lake Akan, Lake Mashu, the Kushiro Wetlands and the 3 great national parks of Shiretoko. You may also get to the zoo most famous in Japan, the Asahiyama Zoo quite smoothly.
